A FALSE FACE.

When dyspepsia fastens on a man it changes his reelings and it changes his looks. He frowns now instead of smil-ing. His expression is harsh instead of kindly. He is wearing a false face—a face which does injustice to the real nobility of his nature.

Dr. Pierce's Golden Medical Discovery cures dyspepsia and other diseases of the stomach and allied organs of diges-tion and nutrition, and the record of the

recure is written both in the face and the feelings of the person cured.

"Golden Medical Discovery" is not a stimulant or temporary tonic. It cures the diseases that are the cause of ill-health and builds up the body with sound flesh sound flesh.

Accept no substitute for "Golden Med-

ical Discovery." The sole motive for M substitution is to enable the dealer to make the little more profit paid on the sale of less meritorious medicines.

"Last spring, early, I wrote you my feelings and condition." says Mr. A. J. Vanderwater, of S73 West Division Street, Chicago, Ill., "and you advised me to take Dr. Pierce's Golden Medical Discovery, and then write how I felt. I am happy to say I am getting to feel fine. In all I have taken six bottles of the Miscovery' and four or five vials of the little 'Peliets.' They have done ne worlds of good. All my friends any: 'Vanderwater, how well you are looking.' The medicines have made the great change in me from the slow mope of a man that could hardly crawl, tired and sick all the time, could do no work, to a man who can work sicep, eat, and feel fine, and that tired feeling all gone away. I am very thankful that I wrote to Dr. Pierce. His 'Golden Medical Discovery' and his little liver 'Peliets' have almost made a new man of me. I feel young as I did at thirty years."
